Rental Terms

1. The customer takes full responsibility for the rented object.
2. The customer states that the rented object is in perfect functioning and maintenance conditions. Any damage shall be reported in the notes section area on page 1 upon delivery of the object.
3. In case of inappropriate use and/or serious damage of the rented object, the customer will be charged for the necessary servicing according to the current repair price list.
4. Any event, damage or accident deriving from the circulation and use of the bike is to be attributed to the user and rider. The customer is therefore responsible for damages caused to himself/herself, to a third party, to objects and to the bike during the use of the same. No compensation shall be requested to the bike lessor "Giro di Toscana".
5. The object is not insured in case it is broken, stolen or deteriorated. The customer will be charged for the above mentioned object according to the market value. An optional regulatory agreement will be possible.
6. For safety reasons, we always recommend the use of a helmet.

Return of the rented bike

- Rented bikes shall be returned at the date and times agreed upon the arrival date, directly to one of our collaborators. Any damage shall be reported to the bike lessor.

Miscellaneous

- In case the rented object is stolen, the user shall report the theft to the local competent authorities.
- I hereby declare I have carefully read the bike rental terms of this contract. By signing the present document, I hereby accept the above mentioned rental terms in full and without reservation.
